## Believes This Will "Cure Lung Troubles"

Consumption is a baffling disease—that is one of its chief dangers. Those who have it are rarely willing to acknowledge the fact. If this trouble is present, it is too late for trifling, if so-called "cure" has long persisted; if a cough is present that keeps you anxious, or any of the symptoms are present, such as fever or night sweats, weakness and loss of appetite, and perhaps some draining of mucus—do the sensible thing—take Eckman's Alternative—as Mr. Belterworth did.

Bowler, Green, Vt., R. No. 4.  
"Gentlemen: I wish to say for your Alternative that I believe it to be a medicine of unequalled value for all Bronchitis and Lung Trouble. The Spring of 1909 I had a severe cough for six months. I tried all the medicine that my doctor recommended to me, but no results came for the better. I had night sweats, and cough and spit until I got so weak I could hardly do anything. But, at last, James Deering, of Glasgow Junction, advised me to try your medicine. In one week's time there was quite an improvement in my condition, and some draining of mucus—do the sensible thing—take Eckman's Alternative—as Mr. Belterworth did.

I desire the word to know that I firmly believe your Eckman's Alternative will cure any case of lung trouble taken before the last stage. I will gladly give the reasons for my party wanting information in regard to your wonderful medicine." (Signed) Andrew W. Belterworth.  
Eckman's Alternative is effective in Bronchitis, Asthma, Hay Fever, Throat and Lung Troubles, and in upbuilding the system. Does not contain poisons, opiates or habit-forming drugs. Ask for booklet telling of recoveries, and write to Eckman Laboratories, Philadelphia, Pa. for more information. For sale by all leading druggists Red Cross Pharmacy Barre, Vt.

## HOW TO RESIST

## Chronic Coughs and Colds

Strong, vigorous men and women hardly ever catch cold; it's only when the system is run down and vitality low that colds and coughs get a foothold. Now isn't it reasonable that the right way to cure a cough is to build up your run-down condition again?

Mrs. Olivia Parham of East Durham, N. C., says: "I took Vinol for a chronic cough which had lasted two years, and the cough not only disappeared, but it built up my strength as well."

The reason Vinol is so efficacious in such cases is because it contains in a delicious concentrated form all the medicinal, curative elements of cod liver oil, with tonic, blood-building iron added. Chronic coughs and colds yield to Vinol because it builds up the weakened, run-down system.

You can get your money back any time if Vinol does not do all we say. Red Cross Pharmacy, Burt H. Wells, Prop., Barre, Vt.

## THE HYDE PARK SAVINGS BANK

Passed the Two and One-Half Million Dollar Milestone January 1

On the 21st day of January, 1889, the Hyde Park Savings Bank opened its doors to the public. On the first day of January, 1913, its assets were \$2,515,910.98.

For twenty-four years it has been a leading factor in the development, progress and growth of every business enterprise, within its legitimate sphere of business, which has applied to it for financial assistance and backing.

In these twenty-four years we have passed through two monetary or business panics, panics so severe in the financial world that the great majority of the banks of the country were compelled to withhold financial aid to those who asked thereof.

But during all these years, the Lamotte County Savings Bank and Trust Co. has never declined a loan asked for by any business interest of Lamotte county, or, indeed, of any other county in Vermont, which could legitimately expect to be cared for by this bank.

It has been a pillar of strength which has never failed in times of direst financial stress.

It extends its kindly greetings to Vermonters everywhere as it commences its twenty-fifth year of substantial progress, and suggests that when you have any surplus money to deposit at 4 per cent.—all taxes paid by the Bank—you make your deposit with the Hyde Park Bank, feeling the fullest assurance that in so doing you will place your money where it is safe beyond a reasonable doubt.

The Hyde Park Savings Bank has an earned surplus of \$97,342.35; its capital and stockholders' liability is \$100,000.00, so that before any depositor could suffer a loss, the bank would have to lose \$197,342.35.

That such a loss is entirely improbable is evidenced by the fact that in the twenty-four years of the bank's existence it has never lost a dollar by a poor note and believes that to-day every dollar of its assets, whether in notes, bank stocks or bonds, is good beyond a reasonable doubt.

Write to the President, Carroll S. Page, or Treasurer, F. M. Culver, for its January 1, 1913, statement. It is interesting reading.—News and Citizen.

## ABOUT THE STATE

HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

President Guy Potter Benton is to make the commencement day address at the University of Vermont.

H. A. Blake has the extraordinary record of having reported news from that town for the St. Johnsbury Caledonian for 44 years.

P. H. Lanpher of Belvidere Corners, was badly burned recently when a can of hot tea burst in his face while he was working in the woods.

C. C. Bonnett, of the St. Johnsbury aeronaut, has filed a petition in bankruptcy in Boston. He reported liabilities of \$4,037 and no assets. St. Johnsbury parties will lose over half of this amount.

Further information in regard to the death of David B. Hendee of Bennington, who was killed by the cars Tuesday in that place, as given by trainmen, is to the effect that Mr. Hendee was standing behind a large wagon into which coal was being loaded and the sound deadened the roar of the approaching train so that he stepped directly in front of the locomotive.

An elm tree was cut on the farm of E. C. Tinkham in West Shattisbury recently that was over 125 years old. It measured 35 feet high, 3 feet and 1/2 inches in diameter at stump, 23 feet from the ground were six limbs which measured 15 1/2 in., 17 in., 18 in., 20 in., 21 in., 22 in., in diameter respectively. It was estimated that there were four and one-half cords of wood in the tree.

When the Peru turnpike becomes the property of the state, according to the bill passed by the legislature, it will do away with the last tollgate in New England. The turnpike was chartered 100 years ago, and was built by General Peter Dudley, who, it is said received \$5,000 for the construction. The pen with which Gov. Fletcher signed the bill was presented to M. J. Hapgood.

During their absence at the theatre, the house in Rutland occupied by Mr. and Mrs. Frank Murray, caught fire and damage of some \$500 was caused. Drapery near a stove are thought to have started the blaze, and firemen had to cut their way into the house, the doors being locked. Mr. Murray's goods were insured, but he only recently moved into the house and is not sure it is in force. The house was owned by Mrs. Ellen Barnes of North Carolina.

## AMUSEMENT NOTES.

James Durkin, One of Country's Leading Actors, Coming Monday.

John Cort will offer Miss Maude Fealy in "The Right Princess" at the opera house Monday, March 3rd. It is a drama involving the principals of mental healing. The heir of an English estate, whose mental development has been arrested by a fall in his boyhood. The niece of the housekeeper in the home of an English baronet is the source of the mental healing who brings the promise of light.

Any unpopularity that may be ascribed to the science of mental healing, however, is swept away in the second act, when its influence is used to save the beautiful Right Princess from an attack by the benighted heir, who has given her the name because of her promise to deliver him from the evil spell of the dark. Grasped in his arms and threatened with being carried away on the water, Maude Fealy applies the gentle healing so gently, no naturally, that the reason the lunatic heir is subdued to the point of releasing his fearless victim is made clear and convincing.

After the cure of the young man is accomplished he falls in love with his right princess and then until the end of the piece the dramatic situations are intense, a cousin of the young heir doing all in his power to prevent the marriage. Assisting Miss Fealy in the cast are James Durkin as the mentally unbalanced youth, Howard Crandall, Joseph Dailey, Henry Douglas, Marcell Harris, Teresa Dale, Julia Hanchett and Ethel Lodge. Mr. Durkin is one of the best known and most popular leading men in the country.—Advt.

## "The Shepherd of the Hills."

No modern writer of fiction can claim as many readers as Harold Bell Wright, his books having sold into the millions. The most popular of the Wright novels, "The Shepherd of the Hills" has been made into a play by Mr. Wright, with the assistance of E. S. Reynolds and Lem B. Parker. The first presentation of "The Shepherd of the Hills" in this city will be given at the opera house next Tuesday, March 4.

The story has been so widely read that a resume of it is practically unnecessary. It is a story of the Ozark mountain and of a people that live wholesome, clean lives, who do big things in a matter-of-fact manner. It is a play that makes its auditor a better man or woman for having seen it.—Advt.
